

ANNUAL SCHOOL REPORT

(ACADEMIC YEAR 2026-27)

“The best schools do not just fill minds; they protect hearts, foster resilience, and build a foundation for a healthy life.”

1. PRINCIPAL'S ADDRESS

Education transforms human potential to performance. It liberates human minds from fear of inadequacy. Education is that wondrous mould which facilitates the society to shape up the young individuals to cater to its myriad needs. Society is evolving at a very frantic pace. Education must empower our young generation to face challenges of tomorrow. It should enable individuals to make sense of life and develop their potential to define and pursue a purpose.

State Public School Shahkot is not a mere institution but a move to provide quality education, to value young individuals more than ever. We, at State Public School Shahkot advocate that each child is unique as his finger prints. Each child is a sparkling diamond of unparalleled value. We provide the new age infrastructure and best international pedagogies to suit the needs of students. Learning through Discovery guides our methods of teaching. Life at State Public School Shahkot is not just academics but its educational program exposes students to opportunities which help them in realizing their true potential and reaching true self. Activity based teaching learning process takes tedium out of learning making it an exciting process. Usage of child centered pedagogical techniques and indigenous methods makes learning at SPS more happening and destressing. We are committed to combining academic excellence with joy of learning.

I pray that almighty bestow all his benedictions and give immense strength to the entire crew of State Public School Shahkot to live up to the expectations of society in general and parents and students in particular.

Go Green, Breathe Clean: Our Planet, Our Responsibility

The school believes in stepping into a greener future of sustainability, togetherness and hope. The school emphasizes teaching children to deeply experience and care for the natural world.

Tree Plantation Drive

To spread awareness about environmental protection a tree plantation drive was organised at the school Under ‘Punjabi Jagran Hariawal Lehar’

Students actively participated in the drive and planted more than 100 saplings of Neem, Peepal, Gulmohar and fruit-bearing trees.

Say No to Plastic

The school educates the students as well as parents about the environmental impact of single-use plastics, including ocean pollution etc by organising varied activities(special assembly, slogan writing, PTMs)

Skill Development & Workshops

Throughout the year, several workshops, seminars, and training sessions were conducted for both teachers and students.

Counselling sessions were organised especially for board students to guide them regarding exam strategies and career choices. These sessions helped students gain confidence and clarity.

Women cell committee of the school conducted various sessions for girls to aware them about any kind of harassment.

Achievements

The school has been serving the society since 2003. This marvellous journey of 23 years has made the school a renowned school not only in near and far areas but in Punjab also. The school has a parcel of winning many prestigious awards.
